

## Mercedes - Benz V-Class | LUXURY MINIVAN (MPV)

### Features

7

The V-Class – and particularly the range-topping V 250 model – redefines the meaning of MPV.

On request we can switch the seats individually between ‘Face to Face’ or ‘Face to Front’.

5

In the passenger area, the tinted side and rear windows unable to look inside and protect from the sun.

Individual air conditioning and reclining backs with armrests ensure a good feeling of quality and comfort.
